Note: Any unblocked HTML5 game may contain. Benny Slap is an open-source Flash game written by Ed Gilbert, Mike Schinkel, and Corey Holmshead. It was originally published by Silver Game Studios (now defunct), which released it in the fall of 1999. The game uses Dreamweaver 3.0 and Macromedia Flash Player 6.0 or higher. Version 4.0 was released in the fall of 2000. Macromedia Flash Player 6.0 is no longer supported by the game. Internet Explorer 9, or later, should be able to play this game. Macromedia Flash Player 6.0 supports the following browser versions: Internet Explorer 7, Internet Explorer 8, Firefox 3.5.3, Opera 10, Safari 3.1.x, Chrome 2.0.x, and Safari 3.2.x. On November 7, 2012 the original author, Ed Gilbert, passed away. On January 3, 2013 the Macromedia Online Community (Macromedia Connection Service) blog post announced that the author of Benny Slap is Sam Dong. The following is a list of the current official Benny Slap release levels. Web browser support Minimum Requirements: Macromedia Flash Player 7, 6, 5, 4, 3, 2 Macromedia Flash Player 6, 5, 4, 3, 2 Browser support For some users with older browsers, we have found that it's best to disable the Flash Plugin. Click the "Tools" menu at the top of your browser window, then click "Plugins." Click the "Flash" menu and choose "Disable." Note: If your browser does not offer this option, see here for more information. Designed as an educational tool for grade-school kids to have fun, this game is mainly based on the various levels of my first game, Benny Slap. Benny Slap continues to enjoy a strong following with thousands of kids having played it over the years. To play Benny Slap - World 1, use any of the available browser features. Just click the link below and enter the URL in your browser's address bar. This game is a work in progress. I'm working on another version and plan to use some of the many awesome ideas presented in this forum as part of it. Any suggestions are welcome. The following video shows how the 82157476af
